

I WILL SURVIVE GIRL'S CAMP

At first I was afraid, I was petrified
Kept thinking I could never live without fresh crushed ice
But then I pitched the 6 man tent and laid out the sleeping bag
And I've grown strong
Am learning how to get along

But we'll go back
To that place
Where I have a shower, a cell phone and a microwave

I should have brought a better cot, I should have maybe brought a mirror
If I'd known for just one second that there weren't any here

Oh no, oh no! Where is my phone?
Oh I just remembered
We all left them at home

We gave up diet so•da and Swig runs just for you
Did you think we'd crumble
Did you think we wouldn't make it through?

[All]

Oh no, not I, I will survive

Oh, as long as I know I'll be back, I know I'll stay alive

I've got all my life to live

Just four days won't hurt too bad and I'll survive

I will survive, hey, hey
